The village of Polmont is located 3 miles from the historic town of Linlithgow and 4 miles from the busy shopping town of Falkirk. There is much to see & do in this lovely part of Scotland. See area websites below.

Edinburgh is only 22 miles away & Glasgow about 28 miles. Fife is a 20 minute drive. This semi-detached house was built in the late 1990's and is situated in a cul-de-sac on a quiet residential estate. The nearest shops & eating places are just a 5 minute walk. There is off-road parking on the driveway.

The garden is open plan at the front. There is a large paved area at the back with pot plants & flowers. The high fencing gives privacy, & this is a lovely place to sit out.

Polmont Old Parish Church is Presbyterian, and the style of worship tends to be contemporary. There is a good mix of age groups; a choir of 16 people; modern hymns are sung & the preaching is sound & evangelical. This is a very friendly church with a Fellowship Room where the congregation gather for tea/coffee etc after the services. Visitors are made very welcome!
