This attractive semi-detached period cottage dates back over two hundred years, and is located in the centre of the small town of Ottery St. Mary, in East Devon.

The house is a 'stone's throw' from the town square so there's lots of activity in the front during the day, although the house is set well back from the pavement. The back of the house is very quiet with lovely views over the garden to the large Parish church. The River Otter runs through the town on its course through the valley to the sea at Budleigh Salterton. This is a beautiful area to visit, being

surrounded by rolling hills, long views, sea cliffs and clean beaches. Beaches are mostly pebbly, but sandy beach at Exmouth. Ottery St. Mary is a couple of miles from the A30, easy access from the A303 (London) or the M5 (north/south).

The house itself is great, with much character. It is not pristine, but is spacious, homely and clean. Free wifi available. (Off-road parking for 2 cars) There are various scooters, bikes, bats & balls in the garage as well as various sizes of wetsuits / body boards / buckets and spades, all available to use. The large, fully enclosed

walled garden at the back is approx. 100 x 50 foot.

There is a large lawn area with football goal. There are some 'secret paths' which are great for hide and seek, and a number of apple trees, some good for climbing. Children will love this garden which also has a large trampoline (with safety net).

All ages will enjoy the outdoor punch bag and boxing gloves! There are benches in the garden, & more garden chairs and camping table in garage, as well as a barbecue.

**Safety note:- The back garden is not fully visible from the downstairs of the house so not suitable for unsupervised toddlers!**

The family attend the New Life Church, with approximately 50 people attending the morning service. It is a very friendly &

relaxed fellowship, where house swappers would be given a warm welcome! More info on their website:- <http://www.newlifeottery.org.uk/>
