This 2005 detached house is situated in a quiet rural area on the outskirts of Devizes. It's about a 10 minute walk to the nearest eating place and one mile to the nearest shop. A local bus stops close by into the town centre, ½ hourly during the day. Devizes is a small market town fortunate to have kept many small independent shops offering a wide range of goods not found elsewhere. Weekly general and collectors' markets and regular farmers' and continental markets bring added colour. The surrounding countryside offers stately homes, picturesque villages, great pubs, attractive waterways and fantastic walking and cycling in stunning scenery. Devizes is a perfect centre for trips to Bath, Stonehenge, Avebury, Salisbury, Marlborough and Swindon. It is also

a great centre for visiting other local attractive towns & villages. This is a great location for a holiday! See area websites below.

This modern home has a large kitchen diner, a separate lounge with French doors that lead onto the garden, ensuite & main bathrooms. The enclosed garden has a patio with garden table & chairs. There is a lawn area, small water feature and flower beds. They would be grateful if house swappers would water the garden, please! There are a few steps outside and a rotary washing line. More photos below...

The couple attend St Andrews URC where there is a good mix of traditional & contemporary worship, including a monthly Café worship.

2018-from Jill in London (ref 1279)

John and Linda were great at communicating before our swap, and they left their home clean and welcoming for us. We loved the local area and visited lots of National Trust properties. Our son liked the nearby park. Top marks in all categories, We loved the swap, thanks again!
