This modern detached family home is situated on a quiet road at the edge of an estate, on the outskirts of Exeter. At the end of the road is a railway station with trains running every half an hour to the lovely seaside resort of Exmouth, and in the other direction into Exeter city centre which has a huge number of places to visit & things to do for all age groups. This is a wonderful location to holiday, also having good access to all of south Devon and the beautiful coast line, and Dartmoor within 40 minutes.

The house is flanked by trees on one side which well screens the railway running alongside. It's within 15 minutes walk from an Ikea restaurant, take-away pub, and a Tesco store. As well as an upstairs family bathroom & the ensuite, there is a downstairs toilet. They have a good quality upright piano which house-swappers are welcome to use with care, & there are a selection of board games & puzzles etc.

They have a small patio with garden table & chairs and steps leading to the grass area with flower border & pots. There is an old but functional trampoline with netting. House-swappers are asked to water the pots if staying during a dry spell. There is off road parking for one car and space on the road for a second car.

Trinity Church Exeter has a good mix of traditional & contemporary styles of worship, & they meet every Sunday in a number of sites in the Clyst Heath and Newcourt area. The family attend the Trinity School congregation at 9am. It's very welcoming, and has lots of children/ families. The morning congregation is about a 15 minute walk, & just 5 minutes walk is an evening service at the Community Centre. More details on their website:- www.TrinityExeter.com

Summer 2020 from Dawn in Oxfordshire (ref 0-785)

Six of our family of eight enjoyed a lovely week away this Summer in Exeter at the home ref 1473. Their house was beautifully clean and tidy and they were truly hospitable, leaving us notes, flowers, fresh fruit and even a meal for our first night. They took great care of our home in Harwell and left it spotless also. It was a real pleasure to swap with them, a great chance to visit some lovely beaches and a very welcome break after 6 months isolating at home!
