This is a flat area, making it perfect for walking and bike riding along nearby trails through scenic landscapes. 3 bikes are

available to borrow for house-swappers, (and a scooter for children) Dörpen is very close to the Netherlands, the border being just 11 kilometres away. The home is only 15 minutes walk from the train station, so that it is possible to reach several interesting towns and cities by train. This is a great base to holiday with many places to visit and interesting things to see & do. See area websites below.

The chalet/bungalow was built in 1996 and comprises a lounge room, dining room, kitchen,

pantry, two bedrooms, bathroom, guest toilet (all downstairs) and two bedrooms, small bathroom (upstairs) Also a Smart TV, Wi-Fi, & piano.

They have a small garden, enclosed partly by a fence, partly by a small hedge. The south facing patio area catches much of the daytime sunshine and is great for 'al fresco' eating on a warm summers' evening! There is garden

furniture, a barbecue and an electric awning. If staying during a dry spell, the pot plants and possibly other sad looking plants in the garden will need a watering please. Off-road parking is possible in the driveway.

The family attend the local Free Church which is of Pentecostal tradition, Christuskirche Dörpen. It is a very welcoming, quite international church where a lot of people speak English.

About 50 people meet for the Sunday service. House-swappers are sure to receive a friendly welcome! More info on their website:- <https://www.ckdoerpen.de>
