This 1970's detached house is situated in a quiet cul de sac about 10 minutes walk from the 'award-winning' market town of Wetherby. It has a lovely river setting with a weir in the town centre, and lots of interesting independent shops and coffee houses. Just 20 minutes from the Yorkshire Dales and 25 mins to York, Leeds or Harrogate, makes this a wonderful location to explore this amazing part of Yorkshire. More info below. There are lots of families in the cul de sac and it's a very friendly neighbourhood.

There is off-road parking. (1 car will be on the drive but there will be space for one other) The house has all the usual facilities including a downstairs toilet, open plan kitchen, dining room & snug area off the kitchen; Prime and Disney Plus are available.

The enclosed medium sized garden is mostly laid to lawn with flower borders, shrubs and trees. There is a patio with outdoor seating and table. There's also a BBQ and trampoline!

The family attend Harrogate Union Baptist Church where about 60 people meet on Sunday mornings and where there is a good mix of traditional and contemporary worship. It's a welcoming fellowship and a really nice traditional church building.
