While it is an exciting urban location they are surrounded by some lovely parks which provide beautiful green spaces. Leeds is described as the unofficial capital of Yorkshire. A city at the heart of the action, bursting with life and cultural energy. A vibrant creative community, with award-winning national theatre and dance companies, a world-class arena, and a thriving independent food scene you won't find anywhere else!

The house has all the usual facilities; a kitchen diner, a lounge. TV with amazon and Netflix and Wifi is available. House-swappers are welcome to visit their allotment, a 5 minute walk away, and may help themselves to any veg that is ready to eat! A bit of watering if staying during a dry spell would be appreciated! There is a very small yard outside with a fire pit.

Mosaic Church Holbeck is one of three gatherings across Leeds, a thriving fellowship affiliated to the larger Catalyst Network, which in turn developed from New Frontiers. Visiting house-swappers are sure to receive a warm welcome at this smaller site with 35 in the congregation, or one of the larger sites in the city. Playground/park/sport	There is a local park with a children's play area under 5 minutes walk in two directions. We use the John Charles stadium for swimming and to go to the gym, 6 minute drive away. "Why not get a water taxi to the Leeds royal armories." There is another lovely local park 10 minute drive away called Middleton Park.
