This semi-detached house is situated on the north edge of the thriving and cultural city of Worcester. Although close to the city this is a quiet location, close to the canal and lovely countryside. The area's shopping centre is within 400 meters towards the city. There is good local transport, with regular buses into the city and surrounding area. Worcester is a beautiful historic city and has so much to offer for all age groups, and interests.

(See area websites below).

The house is on a fairly large corner plot, with two outdoor seating areas, greenhouse, garden chairs and bench. It's a well-stocked garden, partly laid to grass and lots of diverse plantings, making it a lovely place to sit out, reflect and relax.

They have Wi-Fi throughout the house, a downstairs loo, and a well-stocked Christian library and study area available. There is also a craft space set out that can be used if one wishes. (Best for adults or older children under supervision!)

The couple attend St Peters Baptist Church in Worcester: About 120 people meet for worship on Sunday mornings and there are well attended evening services twice a month, as well as a range of midweek meetings and activities for all ages. They serve their local and church communities very well. More info on their website:- www.stpetersbaptist.org.uk

park/sport	Quite a few parks and play areas nearby, as well as sports centres.

From Derek and Sally in Derbyshire ref 1414 : Summer 2026

We enjoyed exploring Worcester and Worcestershire. It was new territory to us. There's a good bus service into the city, and two supermarkets within walking distance of the house. We enjoyed walking the nearby canal tow-path. An overall top mark for enjoyment of this house-swap holiday!
