Earlsdon is a lovely residential area on the south-west side of Coventry with shops, cafes, restaurants, pleasant parks and woodland within easy walking distance. Coventry (UK City of Culture 2021) is a fascinating city with its modern and Medieval Cathedrals, huge Transport museum and much investment currently being made into the city. The house is well-situated for discovering Warwickshire and the Midlands, with Warwick, Kenilworth, Stratford-upon-Avon & Birmingham all within easy reach by car or public transport. The beautiful Cotswolds are 40 minutes away and there are many attractions to discover in this area – we have a list available of over 50 places to visit/things to do for swappers in the area! And see area websites below

The house has been completely renovated and is very spacious. Most of the living areas and bedrooms are to the rear, overlooking the peaceful south-facing garden, providing very relaxing holiday accommodation for swappers. The garden is a good-size & enclosed with lawns, flower beds, mature trees and a patio. They have an outdoor hot tub, patio furniture, barbeque, a climbing area in the trees, large trampoline, ping pong table & bikes which swappers could probably use (to be discussed), as well as a wood burner indoors. (more house photos below)

New Horizons in Coventry is non-denominational and about 200 people attend the morning service which is very contemporary in its style of worship.
