2023 from Sue and Martyn in Sussex ref:- 0-327

We had a really nice holiday in the Netherlands in September. The weather could have been better, but the house was amazing and it was a lovely area. In fact the house was conveniently situated for exploring the north, south, east and west of The Netherlands. It was our first visit to the country and we really enjoyed exploring it. The house itself was extremely clean and comfortable. The instructions they left us were helpful, and looking after the animals was a new experience! They recommended a church with an English translation in a nearby town which was great. Their near neighbours welcomed us and invited us in for coffee. Top marks all round!
