This terraced town house was built only a year ago and is situated in the thriving coastal city of Nelson, known as "The Sunshine Capital". Nestled between the sparkling Tasman Bay and the Richmond Ranges, Nelson is one of New Zealand's most loved regions — and one of its sunniest! With over 2,400 hours of sunshine per year, it's a place where outdoor adventures, world-class food and wine, and a thriving arts scene all come together beautifully.

This area will provide a wonderful holiday for all age groups visiting NZ. See area websites below.

The house has a well-designed open plan kitchen-living-dining room, and good Wi-Fi throughout. There is a separate loo and bathroom. The small private garden has several garden toys etc., and there is a shared BBQ area.

The family worship at Aspire Church, <https://www.aspirechurch.org.nz/> but there are also Elim, Baptist, and non-denomination churches to choose from, all within 5 minutes drive.

Parks/Sport/Leisure	5 Local parks, childrens' play area, lots of sports facilities
Recommended places of interest and entertainment	Nelson sits at the gateway to three national parks — Abel Tasman, Kahurangi, and Nelson Lakes — making it a paradise for walkers, kayakers, and nature lovers.
